

# A COMIC OF CHRISTMAS

Now  
that Joffrey  
is King, I'm sure  
he'll become more  
moderate.

**WINTER  
IS COMING,  
AND IT'S GONNA  
BE YUUGE  
OKAY?!**

Nov 2016

Ugh,  
It's all  
gonna fall  
apart in  
January.

And,  
I still haven't  
finished my  
Christmas  
comic.

So?

WORST  
YEAR

So,  
nothing new  
has happened  
this year

Just  
the same  
old, same  
old.

Just  
the same  
rut with new  
hair.

I guess  
I can talk  
about my  
hair.

Isn't this the first year that you got paid for building up that community?

Well yeah but...

Your job is related to the work you do creatively.

But...

You regularly travel to places like Toronto and Seattle.

Well sure...

And you published like four books this year didn't you?

Yeah...

Didn't one of those books win an award?

That's true...

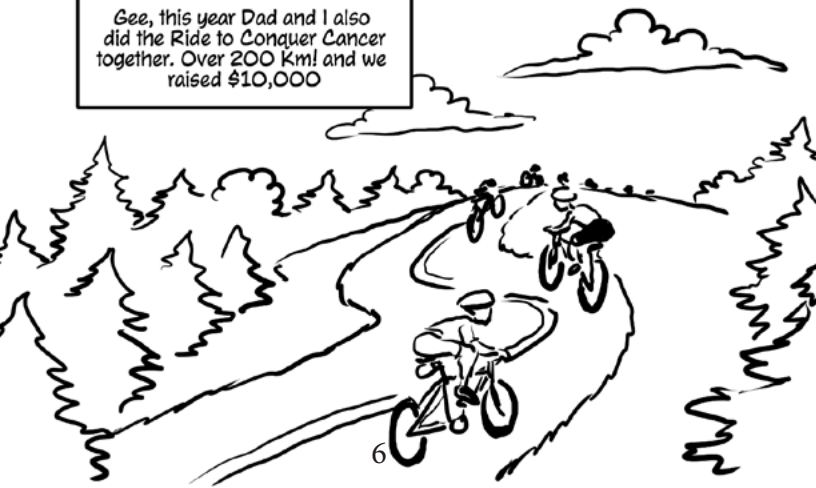

And you are close to getting your liscense aren't you?

Ack!

Yeah, next test is in February!

Gee, this year Dad and I also did the Ride to Conquer Cancer together. Over 200 Km! and we raised \$10,000

I've also kept up  
with my yoga.

Oof!  
Getting  
closer.

Thwip!

Plus, I've gotten to spend time  
with my awesome nephews.

I also have a great social circle around me.

Still making comics.  
(Once in a while)

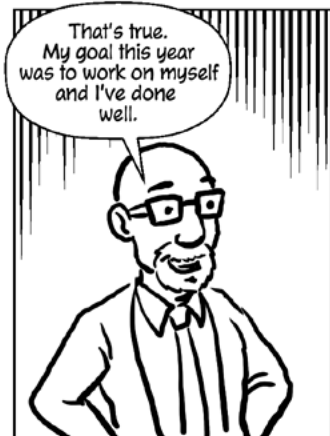

Still Podcasting.

It hasn't all been great though.  
Grandpa Ellis passed away this  
year at the age of 98.

Who  
didn't die  
this year!? You  
are so blessed  
and you don't  
see it.

Considering  
how 2016 has  
gone down, you've  
done pretty well.

*Merry Christmas  
and Happy New Year  
to all of you!*

(Assuming Trump  
doesn't kill us all)

 All the best!
